Re: PO H12471 Terms

Thank you for your purchase order H12471, regarding the Invista Orange, TX #7 boiler project. We accept the purchase order with the following clarifications: the price of \$800,000 listed on the purchase order reflects a \$20,000 prompt payment discount. The original quoted price was \$820,000. While we fully expect that our invoices will be paid promptly, we want it to be clear that should a situation arise where prompt payment is not received, the \$20,000 discount will no longer apply. Once again, we do not anticipate this to be an issue, and we look forward to working with you in the future. Thank you again.
